

# Introducing

We're excited to announce our new school management system – **RenWeb School Management Software**. We're in the process of setting up RenWeb's **ParentsWeb** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer (Mozilla Firefox is the preferred browser) to view information such as:

-  Attendance
-  Daily Grades
-  Progress Reports
-  Report Cards
-  Discipline
-  School Calendar
-  School Announcements
-  Teacher Email Addresses
-  Other Useful School Information
-  Missing Assignments

RenWeb has created a 5 minute [ParentsWeb Overview video](https://vimeo.com/126932181), which will give you an introduction to the system. Please watch it at your convenience by visiting <https://vimeo.com/126932181>. The password to access the video is **ParentsWeb**.
