

Drop-Off and Pick-Up Pattern

The following is a review of the plan we have for dropping off and picking up the children each day. When we work together it all runs a lot smoother.

1. All traffic is to enter at Sunny Dunes and Sunrise. Drop off your children at the brick building next to the lunch area. Proceed down the driveway and exit back onto Sunrise **(Please see map on the reverse side)**.
 2. If you need to get out of your car **FOR ANY REASON**, please park your car in a designated parking space. Many parents are on tight schedules and it delays the flow of traffic if a driver is stopped in the traffic lane.
 3. Children are to be dropped off and picked up at the cones near the lunch tables. Please do not drop off or pick up at the first set of cones near the driveway. It is hard to keep the children visible there. **Never drop off or pick up children on Sunny Dunes.**
 4. Please drive slowly (10mph). We have had cars come through dangerously fast.
 5. The same policy holds true in the morning before school and the afternoon at pick-up time.
 6. If you need to be on campus for any reason make sure to sign in at the office.
- Thank you for your help and cooperation.
 - Our goal is to keep your children safe.
